new fully revised for a canadian classroom includes canadian statistics references and resources protocols documentation standards delegation rules canadian nursing best practice guidelines metric measurements and more new all topics skills and sample documentation conform to canadian provincial and territorial scopes of practice and canadian standards in

nursing practice new inclusion of canadian concepts person centred care evidence informed practice interprofessional collaboration and delegation and care in the community new greater emphasis on cultural assessment considerations and caring for indigenous and vulnerable populations new thoroughly revised chapters reflect canadian practice and guidelines including emergency preparedness and disaster management palliative care cardiac care vascular access and infusion therapy oral nutrition and prevention of skin breakdown and wound care new enhanced and updated art program includes 70 new figures

the practical nursing handbook you can use in the clinical setting pocket companion for physical examination and health assessment 4th canadian edition makes it fast and easy to look up essential assessment skills and techniques this portable clinical guide helps you conduct more effective exams by referring to summaries of examination steps normal versus abnormal findings lifespan and multicultural considerations and over 200 full colour photos and illustrations with added content on the electronic health record charting paediatrics pregnant and aging adult patients and reporting this handbook is a perfect clinical tool whether you re a beginner who is learning assessment skills or a practitioner who needs a portable reference developmental considerations sections highlight content specific to infants children adolescents pregnant individuals and older adults cultural and social considerations sections reflect the cultural diversity of canada s population two column format for examination content makes it easier to access learn and understand key physical examination skills and findings content on the electronic health record charting and reporting provides examples of how to document assessment findings more than 200 full colour illustrations demonstrate examination skills underlying anatomy and physiology and normal and abnormal findings to provide a complete picture for physical examination normal and abnormal examination photos offer a fresh perspective on key system examinations along with cultural diversity and developmental variations abnormal findings tables help students recognize sort and describe key abnormal findings colour coded bars visually segment each body system chapter into major sections anatomy subjective data objective data and abnormal findings to make content easier to find summary checklists offer reviews of key examination steps new updated content throughout corresponds to the 4th canadian edition of the textbook and incorporates the latest research and evidence informed practice

le guide de la communication écrite en anglais comprend plus de 90 tableaux couvrant la majorité des difficultés de rédaction l information présentée en anglais est enrichie de notes complémentaires en français qui mettent en lumière les particularités de la langue et signalent les exceptions il s agit de l outil idéal pour rédiger et mettre en forme des communications de nature professionnelle ou universitaire

compact and convenient the broadview pocket guide to citation and documentation includes information on mla apa chicago and cse styles of citation and documentation the second edition has been fully updated to reflect the 2016 revisions to the mla style of documentation a

wide range of examples are provided throughout the book and full sample essays in both mla and apa styles are also included the book discusses summary and paraphrase as well as direct quotation and includes an extensive treatment of how to integrate quoted material into the text of an academic paper there is coverage too of what constitutes plagiarism and how to avoid it

even the most useful reference guides are not always well shall we say riveting a refreshing exception is the new broadview guide to writing which is smart helpful and even fun to read gerald graff and cathy birkenstein authors of they say i say the moves that matter in academic writing key features a coil bound reference text suitable for a range of introductory composition and writing courses divided into three sections writing processes including research argumentation and style writing mechanics grammar usage and punctuation writing contexts writing in different academic disciplines forms and conventions and citation comprehensive treatment of citation style guides with 2016 mla style updates expanded treatment of research methods argument structures and writing in the workplace a unique section on how to be good with words issues of gender race class religion sexual orientation disability etc expanded coverage for those whose native language is not english all new chapter on reading images extensive companion website featuring interactive exercises increasingly writing handbooks are seen as over produced and overpriced one stands out the broadview guide to writing is published in an elegant but simple format and sells for roughly half the price of its fancier looking competitors that does not change with the new edition what does change and stay up to date is the content of the book the sixth edition brings a substantial re organization of the contents under three headings writing processes writing mechanics and writing contexts coverage of apa chicago and cse styles of documentation has been substantially expanded and the mla section has now been fully revised to take into account all the 2016 changes also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one s own work of balance and parallelism and of issues of gender race religion etc in writing the chapter seeing and meaning reading and writing about visual images is entirely new to the sixth edition

this book provides innovative pedagogy theory and strategies for college and university professors who seek effective methods and materials for teaching about gender and sex to today s students it provides thoughtful reflections on the new struggles and opportunities instructors face in teaching gender and sex during what has been called the post feminist era building off its predecessor teaching race and anti racism in contemporary america this book offers complementary classroom exercises for teachers that foster active and collaborative learning through reflecting on the gendered dimensions of the current political economic and cultural climate as well as presenting novel lesson plans and classroom activities teaching gender and sex in contemporary america is a valuable resource for educators

increasingly writing handbooks are seen as over produced and overpriced one stands out the broadview guide to writing is published in an elegant but simple format and sells for roughly

half the price of its fancier looking competitors for the sixth edition the coverage of mla apa chicago and cse styles of documentation has been substantially expanded as well as updated also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one's own work of balance and parallelism and of issues of gender race religion etc in writing the chapter seeing and meaning reading and writing about visual images is entirely new the online materials including the selection of interactive exercises have also been revised considerably

containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced it offers a complete directory of canadian publishers available listing the names and isbn prefixes as well as the street e mail and web addresses
