bookdown authoring books and technical documents with r markdown presents a much easier way to write books and technical publications than traditional tools such as latex and word the bookdown package inherits the simplicity of syntax and flexibility for data analysis from r markdown and extends r markdown for technical

writing so that you can make better use of document elements such as figures tables equations theorems citations and references similar to latex you can number and cross reference these elements with bookdown your document can even include live examples so readers can interact with them while reading the book the book can be rendered to multiple output formats including latex pdf html epub and word thus making it easy to put your documents online the style and theme of these output formats can be customized we used books and r primarily for examples in this book but bookdown is not only for books or r most features introduced in this book also apply to other types of publications journal papers reports dissertations course handouts study notes and even novels you do not have to use r either other choices of computing languages include python c c sql bash stan javascript and so on although r is best supported you can also leave out computing for example to write a fiction this book itself is an example of publishing with bookdown and r markdown and its source is fully available on github

in the filmmaker s necronomicon or book of the dead award winning director danny draven unlocks the crypt and shows you how to translate your idea into a successful movie that gives your audience nightmares budget need not be a limitation the real world advice and experience from the author plus a host of horror directors producers writers cast and crew offer a variety of tips short cuts and ideas for producing a quality movie on the cheap it all starts with the story you ll learn the storytelling elements that make a horror movie truly frightening to the audience then master the process of making a horror film from concept to completion avoiding the pitfalls along the way this full color highly illustrated book also shows you the production techniques that add to the chill factor including camera techniques properly showcasing your star the monster creating atmosphere through music adding tension through editing and more distribution and marketing are covered in depth so you can get your movie out there once you ve made it the book includes access to over an hour of video get inspiration and ideas from a 20 minute behind the scenes featurette from danny draven s new 2009 award winning film ghost month coming soon from lions gate entertainment a 10 minute behind the scenes featurette from danny draven s film cryptz a 10 minute behind the scenes featurette from danny draven s film deathbed a 10 minute behind the scenes featurette from danny draven s film darkwalker the danny draven trailer reel trailers for all 6 feature films horror script samples pdf files ghost month and cryptz
