within contemporary theory the concepts of translation and universality have frequently been associated with different and even opposed philosophical and political projects watchwords of either domination or liberation the erasure of difference or the defense of difference the universalizing drives of capitalism colonialism and other systems of oppression have precipitated widespread suspicion of any appeal to universality this has led some in turn to champion the very notion of universality as antithetical to these systems of oppression similarly recent scholarship has begun to grapple with the fundamental role of translation not only in forging inclusive democratic politics but also by contrast in violence including imperial expansion and global war the present volume advocates neither for nor against translation or universality as such instead it attends to their insurmountable ambiguity and equivocality the tensions and contradictions that are internal to both concepts and that exist between them indeed the wager of this volume is that translation universality and their relationship name irreducible yet overlapping sites of struggle for a diverse array of struggles on the left drawing from multiple intellectual traditions and orientations with a special emphasis on deconstruction and marxism this volume both reveals and participates in a subterranean current of thought committed to theorizing the dynamic plural and ultimately inextricable relationship between translation and universality its contributors approach this problem in ways that challenge and unsettle dominant trends within translation studies and critical and postcolonial theory thereby opening new lines of inquiry within and beyond these fields

norival alves aleixo resumo durante oito anos de existência oficial 1962 a 1970 a maior banda de rock e pop de todos os tempos revolucionou o mundo virando de cabeça para baixo concepções costumes e modos de vida o mundo não parou por causa deles mas causavam grande impacto nas pessoas por onde quer que passassem a magia das melodias versos acordes e harmonias maravilhosas modificando dando outro significado a vida de muitas pessoas promoveu amizades e encontros de pessoas que se identificaram com a mensagem de que o amor é tudo o que precisamos foi a partir dessa constatação que surgiram algumas indagações que histórias pessoais ocorridas durante o período de existência dos beatles merecem ser contadas o que e como as

pessoas próximas ao personagem principal vivenciam essa época o que é relevante e vale a pena destacar será que alguns fatos históricos ocorridos no mundo e no brasil durante esse período estão relacionados a eles arriscar se a narrar alguns momentos pessoais relevantes de descobertas e sensações marcantes e convidar a todos aqueles que também vivenciam esse período mágico da nossa história é o motivo central recordar pessoas momentos sorrir chorar envolver se com as canções da maior banda de todos os tempos é algo que parece tão trivial como saber que sol aquece a pele os beatles são o sol da alma aquecem o espírito e nos tornam mais humanos e mais divinos mergulhar no passado muitas vezes pode ser comparado a uma viagem na qual retornamos com muitas feridas e ou satisfações às quais não podemos modificar podemos sentir as chagas e curtir as alegrias do ontem mas não podemos alterar o que já aconteceu no entanto viajar ao passado embarcando na nave da memória e da história nos leva a desfrutar da magia e do mistério que cerca a existência humana onde a vida é uma das pequenas paradas que fazemos um porto de embarque ou desembarque uma plataforma de idas e vindas onde encontramos e perdemos nossos parentes amigos e pessoas que sequer conhecemos onde nossa estada também é passageira então tornar essa viagem cheia de magia e mistério é um dos bons motivos para escrever a partir da maravilha que foi e sempre será a obra dos beatles
